for the
2020-'21
Plan Year!

One of the Few Gifts the IRS Gives!

Discover the benefit that **SAVES YOU MONEY**. This perk allows you to set aside a portion of your pay—**BEFORE TAXES**—to cover out-of-pocket expenses in these categories:

- ◆ **HEALTH CARE.*** Eligible expenses and services include: non-cosmetic medical, dental, and vision care services; prescription medications; orthodontics, prescription eyeglasses, contact lenses, laser eye surgery, alternative health therapies (e.g. chiropractic, acupuncture), mental health services, and **MORE!**
Max. Annual Health Care Election: \$2,750.

Who's Covered? You, your legal spouse, and your dependents as defined by the Internal Revenue Service, including those claimed on your tax return and adult children under age 26.

Benefit Cards. For employer plans that offer the benefit card, new Health Care FSA enrollees will receive **2 cards** that can be used at most medical facilities, dental offices, optical shops, and pharmacies to pay for eligible expenses. **Keep your cards!** They will reload each plan year that you enroll.

HSA Ineligibility. If you or your spouse have a Health Savings Account ('HSA'), you are **NOT** ELIGIBLE to participate in the Health Care FSA plan.

- ◆ **DEPENDENT CARE.**** For dependent children under age 13, elderly dependents, and dependents with special needs. Eligible expenses include day care, pre-school, before/after school care, day camp, and elder day care. **Max. Annual Dep. Care Election: \$5,000. per family**

Annual FSA admin. fee of \$72 (\$60 for dependent care only) paid via payroll deduction.

* Not all Health Care expenses are FSA-eligible, such as cosmetic procedures or products *even if performed or dispensed by a doctor* (e.g. Botox, teeth whitening, veneers, etc.), couples/family counseling, general health/wellness expenses (i.e., toothbrushes, non-prescription sunglasses, gym dues, etc.), and federally non-permissible products. Vitamins, supplements, non-prescription/over-the-counter medications, etc., require a physician's prescription to be FSA-eligible. Some expenses, such as medical equipment and some services, may be FSA-eligible with a physician's Letter of Medical Necessity. Visit <https://fsastore.com/FSA-Eligibility-List> and search the "Eligible Products and Services List" for more info.

** Overnight camp and school tuition are not FSA-eligible; day camp is eligible when utilized as childcare in order for the parent(s)/guardian(s) to be able to work; extra-curricular and enrichment programs/activities that aren't daycare/childcare-based are not eligible; monies paid to a provider who doesn't report childcare income on his/her taxes aren't eligible.
