Board of Selectmen
Town of Auburn
102 Central Street
Auburn, MA 01501

Re: 2011 Charter Reorganization Plan

Dear Members of the Board of Selectmen:

As authorized by Section 3.06(b) of Chapter 8 of the Acts of 2009, (Town Charter), I hereby submit this message and attached Reorganization Plan for the Town of Auburn. Presently, the Town has 25 separate agencies in the Executive Branch. The proliferation of town agencies in a decentralized structure creates inefficiencies and competing resources, and makes it extremely challenging for the Town Manager to exercise effective supervision and coordination of resources and goals (see Chart #1).

Under the 2011 Reorganization Plan the 25 agencies shall be consolidated into 9 departments, effective May 19, 2011, subject to your approval, reporting directly to the Town Manager. The new departments shall be Development and Inspection Services, Public Works, Finance, Human Resources, Public Services, Information Technology, Police, Fire, and Law. (see Chart #2). Within those 9 departments, the various agencies are being consolidated and established as divisions within the 9 departments. I am also enclosing the individual department organizational charts (see Chart #3).

By this Reorganization, I expect there will be greater efficiency, accountability and transparency in the operations of the Executive Branch of the Town of Auburn. While I have dedicated extensive time and effort into developing this plan since taking office at the end of January, I expect that there will be further refinements in our organization after the implementation of this plan. It is a priority to develop and secure approval for this Reorganization Plan due to changes in the Charter as amended in 2009 that will take place in
May of this year and since the current structure of government was not established under a Town Manager form of government. In order to avoid additional costs to the Town, I shall serve for fiscal year 2012 as the Director of Public Services and the Director of Human Resources. The Assistant Town Manager shall continue to serve as the Town Accountant and will be the Chief Financial Officer, pending Board of Selectmen approval of this appointment. Should resources become available during FY’12, I would seek to fill the position of Human Resources Director with the Board of Selectmen’s approval.

The Reorganization Plan does not apply to the Town Clerk’s Office, or agencies under the jurisdiction of the Board of Selectmen.

I am pleased to present this reorganization plan to the Board of Selectmen and respectfully request your approval of the plan. The Plan represents a thorough evaluation of the current organizational structure, an analysis of the priorities of town government, and a thoughtful process to determine how to maximize resources to provide the best level of services to the community.

If this Plan is approved by the Board of Selectmen, I shall submit the required changes in the budget to reflect the Reorganization Plan.

Sincerely yours,

Julie A. Jacobson
